

Contact Your Congressperson and Senators

Submitted by Andrew Kayton

Contact your U.S. Congressperson and U.S. Senators to get support for your fundraising campaign. **What better way for our representatives to publicly "support our troops" than to make a contribution to Fisher House?** It often takes a long time to get a response, so send in your requests early on in your campaign.

The internet makes it very easy to send e-mail directly to your representatives:

U.S. Congress (https://forms.house.gov/htbin/wrep_findrep)

U.S. Senate (http://www.senate.gov/general/contact_information/senators_cfm.cfm)

You can even include a link to a Fisher House YouTube video within your e-mail to educate your representatives about the good works of Fisher House Foundation:

Full-Length Fisher House Video (recommended)

3-Minute Fisher House Video (<http://www.youtube.com/watch?v=7xe5RE6krms>)
