* Authorized Fundraiser for Fisher House

Fisher House Foundation (www.fisherhouse.org) is a unique private-public partnership that supports America's service members, retirees, veterans, and their families in their greatest times of need. Because military families often travel great distances for specialized medical care, Fisher House builds "comfort homes" on the grounds of major military and VA medical centers across the country and overseas. These homes enable family members to be close to a loved one at the most stressful time - during the hospitalization for an unexpected illness, disease, or injury. This care and support are essential ***"Because a Families Love is Good Medicine."***

By contributing to Fisher House Foundation (FHF) through the Team Fisher House Program, you can make a difference in the lives of America's military and their families when it is needed most. For every dollar donated, 96% goes directly towards the Fisher House Program, earning FHF the highest possible ratings from charity watch organizations.

It is through donations such as yours that the Fisher House Foundation, Inc. is able to continue having a positive impact on the quality of life of ***"Our Greatest National Treasure...Our Military Service Men and Women and Their Loved Ones."***
